TWO YEARS OF PROGRESS

On September 16, 1956 classes were held for the first time at Staten Island Community College. Since those days of unfinished alterations when packing cases served as desks for instructors, the College has come a long way.

We can now boast of a program in Business Technology in addition to those originally offered in Arts and Science, Pre-engineering, Mechanical Technology and Electrical Technology.

Various clubs and organizations have been formed including a Student Government, a newspaper (The Dolphin) a language club, a hi-fi club. Phi Alpha Sigma (a fraternal organization), and an electrical society.

There is an active sports program at S.I.C.C. The College at present sponsors two teams; one in basketball and one in golf. In addition, there is a spirited intra-mural sports program which includes swimming, bowling and softball, and which in the future will include fencing.

Yes, looking back over this short two-year period, the progress made is apparent. We, the graduates, would like to take this opportunity to extend our wishes for the best of luck in the future.

TO THE FIRST GRADUATING CLASS OF STATEN ISLAND COMMUNITY COLLEGE - 1958

THE LAST TWO YEARS HAVE GONE ALL TOO RAPIDLY. WE HAVE SHARED, IN THESE TWO YEARS, SOME OF THE MOST INTERESTING AND CHALLENGING EXPERIENCES - EXPERIENCES WHICH FEW ARE FORTUNATE ENOUGH TO ENCOUNTER IN A LIFETIME.

YOU HAD THE PIONEER SPIRIT NECESSARY TO ENROLL IN A NEW UNTESTED COLLEGE AT A TIME WHEN UNCOMPLETED BUILDING ALTERATIONS FORCED YOU FOR A WHILE TO PICK YOUR WAY CAREFULLY UNDER SCAFFOLDS AND AROUND PILES OF MATERIALS AND DEBRIS.

THE NORMAL WISE RESTRAINING INFLUENCE OF TRADITIONS AND THE STABILIZING EFFECT OF UPPER CLASSMEN WERE MISSING, BUT YOU MOVED ENTHUSIASTICALLY AND THOROUGHLY TO CREATE TRADITIONS AND TO ORGANIZE AND SUPPORT MANY EXTRA-CURRICULAR ACTIVITIES.

YOUR COOPERATION WITH THE FACULTY AND YOUR CONSCIENTIOUS APPLICATION TO YOUR TASKS REMAIN AS MODELS FOR FUTURE GENERATIONS OF STUDENTS.

FROM THIS POINT FORWARD YOUR WAYS DEPART IN MANY DIRECTIONS. SOME OF YOU WILL GO DIRECTLY INTO JOBS IN BUSINESS AND INDUSTRY. OTHERS WILL CONTINUE YOUR SCHOOLING IN VARIOUS COLLEGES IN AND OUT OF NEW YORK CITY AND STATE. EVERYWHERE YOU GO, PEOPLE WILL JUDGE OUR NEW COLLEGE BY WHAT YOU DO AND HOW YOU DO IT. YOU BEAR A GREAT RESPONSIBILITY TO THE COLLEGE. WE WANT YOU TO KNOW THAT WE ARE PROUD OF YOU AND THE RECORDS THAT YOU HAVE MADE AT THE STATEN ISLAND COMMUNITY COLLEGE AND WE ARE CONFIDENT THAT YOU WILL BEAR THAT RESPONSIBILITY WELL AND CONTINUE TO BE EQUALLY SUCCESSFUL IN THE TASKS WHICH CONFRONT YOU IN THE FUTURE.

ONE OF THE MOST IMPORTANT FACTORS IN THE SUCCESS OF A COLLEGE IS AN ACTIVE ALUMNI ORGANIZATION. YOU ARE ABOUT TO BECOME OUR FIRST ALUMNI GROUP AND WE HOPE THAT YOU WILL CONTINUE TO HAVE AN INTEREST IN THE COLLEGE AND ITS ACTIVITIES. PERHAPS YOU WILL EMPLOY THE SAME ORGANIZATIONAL ABILITY WHICH YOU DEMONSTRATED SO WELL IN THE LAST TWO YEARS TO ESTABLISH AN ACTIVE ALUMNI ASSOCIATION DEDICATED TO THE IMPROVEMENT OF ALL ASPECTS OF OUR INSTITUTIONAL LIFE AND PLANT.

AS YOU LEAVE US WE WISH YOU GOOD LUCK AND GODSPEED. WE EXTEND TO YOU A CORDIAL INVITATION TO COME BACK AND SEE US WHEN YOU CAN AND TO SEND US NEWS OF YOUR PROGRESS WHEN YOU CANNOT VISIT US IN PERSON.
