From newspaper clippings in Publicity book (1947-1952) the first volunteer group was started in December 1950 by Mrs. George Zahn. They didn't elect officers until May 1951. There were 8 charter members.

Mrs. Webb (Payroll) was in charge of the volunteers in 1949 or 1950, but she doesn't recall more than 5 or 6 coming in regularly. She said that perhaps about 14 volunteers came in from time to time. They devoted about 1/2 day once a week.

Mr. Clark took over in 1953, but he can't recall too much about the program either.
