Personnel Personals

2 Promotions at Willowbrook

Two provisional appointments at Willowbrook State have been announced by Dr. Harold H. Berman, director of the institution.

Kenneth Clark, institutional education supervisor, has been named to the newly created post of education director, a position created to coordinate the training and education of patients. The job pays \$7,860 a year.

Mrs. Hannah Glasser, a teacher at the school, has been selected to succeed Clark as education supervisor. The position pays \$6,780 a year.

Both Clark and Mrs. Glasser have been at Willowbrook since 1951. Both of their positions are Civil Service competitive jobs.
