

STATEN ISLAND ADVANCE, MONDAY, JULY 20, 1964

YULE IN JULY—If you're surprised to see a Christmas tree in July, imagine the delight of youngsters at Willowbrook State School, who are guests at a Christmas party sponsored by Hospital Helping Hands. The non-

profit organization, comprised of 150 members, conducts a yearly program of similar events to entertain patients in hospitals. The clowns are, left to right, Mrs. Claire Manley, president, and Mrs. Grace Anderson.
