## And How Long Is That?

Gov. Rockefeller has allocated additional funds to improve conditions at Willowbrook State School — in response, obviously, to Sen. Kennedy's criticism.

But no such solace is in store for Willowbrook's overflow of 208 mentally retarded youngsters now housed in ancient, once-abandoned Gouverneur Hospital.

Says the director of Willowbrook: "Gouverneur will remain as it is until such time as it is no longer needed."

And just when will that be?

Plainly it will be far, far in the future — unless public indignation and political heat force the Governor to intervene as he did in the case of Willowbrook.
