Bids Opened for State School Work

The State Public Works Department announced this week the low bidders for three more phases of the continuing rehabilitation program at Willowbrook State School.

The bidders submitted costs for construction, sanitary and electrical work in several patients' buildings.

Harry Hershon Co. of Manhattan entered the lowest of three construction bids at \$198,697; of the four bids for sanitary work, the \$16,300 was low from the Castle Plumbing

and Heating Corp. of Queens, of four bidders on electric work with \$14,990. Brighton Heights was the lowest

STATEN ISLAND SUNDAY ADVANCE, JULY 17, 1966

Christmas Party At Willowbrook

Christmas, complete with the dashing arrival of Santa Claus, brightened the lives of 600 children in the Willowbrook State School yesterday afternoon.

Sponsored by the school's Benevolent Society and the Hospital Helping Hands International, Inc., of the Bronx, the Christmas-in-July party included refreshments, gifts and entertainment.

Each child was presented a gift personally by the "cool" Santa in the shady picnic grove on the school's grounds. Ice cream and soft drinks were consumed to the music of the Gemini rock 'n' roll group of Manhattan.
