

## Fete at Willowbrook

One hundred children of Willowbrook State School had an afternoon of Halloween fun and goodies, thanks to the Ladies Auxiliary of Milton Final Post, Jewish War Veterans, of Brooklyn. Above, some of the women in costume entertain the children and others distribute gifts. Second from the left is Mrs. Samuel Schmolowitz of Brooklyn, auxiliary president, and center is Mrs. Edward Bernstein of Castleton Corners, chairman of the auxiliary's child welfare project.
