

Legion entertains at Willowbrook

The child welfare committees of the Kings County American Legion and Voiture 17 of the Brooklyn 40 & 8 Society sponsored a day of activities, entertainment, and refreshments for 1,000 residents of Willowbrook State School yesterday.

Puppet shows, soft drinks and rides on the 40 & 8 Society's locomotive were provided for children aged 5 through 16, according to Mrs. Elizabeth Hammond, coordinator of volunteer services.

In addition, the two groups also donated two phonographs to the school. James Alexander chaired the American Legion committee, and Mrs. Mary Cotterill supervised the 40 & 8 Society's effort.
