

*It's good news!*

## Sharing is their thing

The West Brighton Plaza Tenant Association has collected a truck-load of good used clothing for residents of Willowbrook State School, according to the association's president, Mrs. S.T. Onofre.

One of the association's 100 members, Mrs. Bernice Harding of 806 Henderson Ave., West Brighton, heard that the residents at the school needed clothing. She volunteered to be chairman of a project to collect used clothing from residents of the West Brighton Plaza to give to Willowbrook.

The Tenant Association is very proud of the fine job Mrs. Harding did collecting the clothes, said Mrs. Onofre.

The tenant's group is also grateful to the managers of the Housing Authority project for providing a truck to carry the clothes to Willowbrook, she said.

The tenant's group may collect clothes again for some home, perhaps a nursing home, in the future, she said.
