Resident's Drawing Will Illustrate TV Booklet

Staten Island — Jose Colon, a 16-year-old resident of Willowbrook State School, recently received notification from the Education Broadcasting Corp. (WNET - Channel 13) that his drawing has been selected to illustrate part of the 1971-72 School Television Service Manual for Teachers.

Jose's drawing was selected from over 1,500 entries and was chosen to illustrate the series "Imagine That." Entries were submitted by over 200

educational institutions in the New York, New Jersey and Connecticut metropolitan areas.

Jose is currently enrolled in the MAP (Mobilization of Abilities and Potential) program at Willowbrook. The program attempts to help residents develop the skills necessary for the realization of their maximum potential. Jose was urged to submit his drawing by his teacher, Robert Witowsky, who has been working with the boys in the MAP program since its start.
