

## **Willowbrook rally site changed**

The Willowbrook rally scheduled for tomorrow at 10:30 a.m. will be in Willowbrook Park, not in an auditorium on the grounds of Willowbrook State School as previously announced.

The change in location was requested by Dr. Jack Hammond, director of Willowbrook, to prevent any disruptions on the grounds.

Although many legislators have not yet responded to requests that they attend the rally, the list of those who do plan to show is growing.

So far, politicians who have promised to attend include Congresswoman Bella Abzug, Congressmen Mario Biaggi, John M. Murphy and Edward I. Koch, State Sen. John M. Marchi, Assemblyman Edward Amann and Councilman Eldon Clingan.
