Willowbrook

City within a City Part II

Three weeks ago the first extensive look into the city of 7,000 plus that is Willowbrook State School was run. This week "education" as practiced at the school is reviewed. Read it on page two. (Clarke)

Education in the City

Willowbrook is called a "school" by the State. Some feel it is a school in the way State insols are "rehabilitation" centers. Find out why on page two.

The Curriculum Guide

What are Willowbrook children trained for in school? Find out on page ten.

The School System

A review of the mechanics behind the "system" of education at Willowbrook. Read it on page ten.
