

Willowbrook State School, foreboding on the outside and often heart-rending on the inside, now seems to be on the verge of a more hopeful era. But those closest to the scene are asking how long it will last.

resigning, he said, but decided, instead, to stay on and "do the best we could under the circumstances."

He expressed the hope that Willowbrook and the needs of the retarded

will remain in the public eye under continuous pressure. But he expressed the opinion the public, as a rule, goes from "histrionic indignation to callous indifference."
