

It was last picnic day of summer — fun all the way

Miss Connie Yovich, recreation therapist, hands out some snacks and soft drinks at the Willowbrook Developmental Center "Fun Day" picnic under yesterday's sunny skies. Photo by Irving Silverstein

Summer's all over but the shouting — autumn began officially this morning — and there was plenty of happy shouting at a parade of picnics on the Island.

The weatherman was at his sunniest, the refreshments were plentiful, the races and games kept the picnickers busy.

Four of the outings were geared especially to children.

One was "fun day" planned by volunteers for children of the Willowbrook Developmental Center on the grounds there.
