

Santa visits Willowbrook

Building 27 in the Willowbrook Development Center was the setting for a visit from Santa to 400 children.

Aided by the Friends of Willowbrook, who planned a giant-sized party for the youngsters, he visited wards to distribute his presents.

During the visit he would answer to no other name than Santa.

Ray Lynch served as chairman for the afternoon for the sponsoring volunteer group

Santa, who preferred to be himself for the day, brought his bag of surprises to Willowbrook children.
