

Bob Connelly gets post

ALBANY, N.Y. (UPI) — Governor Carey today appointed Robert Connelly, husband of Staten Island Democratic Assemblywoman Elizabeth Connelly, to the unsalaried board of visitors of the Willowbrook Developmental Center.

Connelly is a 51-year-old partner and managing director of Henjes Air Cargo of New York City, Carey's office said.

He was appointed for a term ending Dec. 31, 1977, succeeding Joseph Weingold of New York City, whose term expired.

Carey said Connelly's name will be submitted to the Senate for confirmation when the legislature reconvenes in January.
