Behavior seminar set at Willowbrook

The Willowbrook Developmental Center will offer a workshop on the elimination of disruptive behavior of the mentally retarded.

The workshop will be at the Institute For Basic Research in Mental Retardation, 1050 Forest Hill Rd., Willowbrook, toda - and tomorrow.

A group of six prominent experts will conduct the two-day seminar demonstrating both behavioral and psychopharmacological methods by which disruptive behavior can be controlled or eliminated.

Further information may be obtained from Jay Tooley at 698-1440, Ext. 334.
