Serve awards

Senior citizens who help others in the community as SERVE volunteers spend long hours assisting in nursing homes, at the Staten Island Developmental Center in Willowbrook and helping handicapped persons in other programs. The SERVE volunteers were honored yesterday for their service to the community at an awards dinner in the Columbian Lyceum, West Brighton. The highest number of hours as a SERVE volunteer was turned in by Fannie Carannante of Port Richmond who served 9,000 hours.
