

Anthony Menella walks out of his private room in Building 32, about to begin a tour of the grounds. His quarters consist of a bed, sink, mirror and a poster of Disneyland taped to the wall.

S.I. Advance Photo by Frank J. Johns

Anthony Menella, with his attache case, stops on his daily rounds to have a word with Dr. Huo Cheng, chief of adult medicine at the Staten Island Developmental Center, and Chaplain Philip Goldberg.
