

Hamburger chain to donate \$\$ for developmental center

Wendy's hamburger chain is joining with the Friends of Willowbrook to offer Staten Island residents discounts on food at the firm's two Island restaurants while providing some needed Christmas cheer for the residents of the Staten Island Developmental Center in Willowbrook.

Islanders will be able to buy \$5 worth of Wendy's gift certificate booklets for \$4 through Dec. 24. The coupons are valid through the end of next year.

Of the \$4 purchase price, Wendy's will donate \$1 for each book sold to the Friends of Willowbrook, which will use the money to host a Christmas party for

residents at the developmental center.

Booklets, containing 50-cent gift certificates, may be purchased at either Island Wendy's location — at 1661 Hylan Blvd., Dongan Hills, or 1761 Forest Ave., Graniteville — or at a booth scheduled to be opened at the Staten Island Ferry terminal in St. George and manned by the Friends of Willowbrook.
