

Sports program for handicapped

The Staten Island Special Olympics Committee, meeting last night in the Staten Island Developmental Center, Willowbrook, made final plans for participation this weekend in a special olympics sports program at the Big Vanilla Ski Area in South Fallsberg, N.Y.

The group made plans for a roller disco party March 27 from 8 to 11 p.m. at the Skate Odyssey, South Beach. Werner Roth, captain of the New York Cosmos Soccer Team and national chairman of the Special Olympics program, will attend the event.

It was announced that vacancies exist in the training club at Wagner College each Saturday and at the Curtis High School swimming program each Saturday.

Members will participate in the New York State Bowling Tournament April 18-21 in Elmsford, N.Y., and will host participants from the five boroughs and Nassau and Suffolk Counties during sectional olympics May 2-4 at the Staten Island Developmental Center.

The next meeting will be April 2.
