

## ***Volunteers needed for Special Olympics***

As we approach the Staten Island Sectional Games to be held on the weekend of May 2-4 at Staten Island Development Center, we hope that you will be able to support our program. Special Olympics is an athletic and recreational program for the mentally retarded, co-sponsored by the Joseph P. Kennedy Jr. Foundation. Our primary purpose is to improve the self-confidence of all children and adults participating, since an improved self-concept can have a positive impact on all aspects of one's life.

Specifically, we are in need of volunteers. If you are able to support our program, we are confident that our overall program for the 400 anticipated participants will be more successful.

If you will be able to help, please call or write to either the number or address below by April 11. We'll look forward to your response. Thank you very much.

Staten Island Special Olympics, 440
