

Advance aided success of Special Olympics

On behalf of the Staten Island Special Olympics Committee I would like to express my appreciation and thanks for the support your paper gave us in covering our Olympic games.

The articles written about the games, as well as those expressing our need for volunteers, were an essential part of our success. We couldn't have done it without you.

Besides the many groups and organizations that volunteered, many individuals read about the games in the paper and volunteered their services. Our volunteers numbered nearly 1,000!

The Staten Island Special Olympics 1980 games were a great success and beautiful experience for all. Thank you again for all your help.
