## **Special Olympics sets handicapped registration**

Registration is now under way for the annual Staten Island Special Olympics, a day-long series of athletic events for the Island's handicapped.

The spring games are scheduled for May 1, from 9 a.m. to 5 p.m. at the Staten Island Developmental Center, Willowbrook.

Doris Grell, secretary of Staten Island Special Olympics, says parents who wish to register their children for

track and field events should call her or Joanne Certo.
