STATE OF NEW YORK - STATEN ISLAND DEVELOPMENTAL CENTER ADVISORY COUNCIL

NOTICE OF INFORMATIONAL MEETING

An advisory council has been directed by Governor Mario M. Cuomo to develop a comprehensive recommendation for the beneficial reutilization of lands and buildings at the Staten Island Developmental Center.

In compliance with the Governor's directive, the Council will conduct a public meeting on Thursday, February 7, 1985 at 7:00 p.m. in the Auditorium of the Sea View Hospital and Home, 460 Brielle Avenue to consider the proposals received to date from public and private organizations.

The public is invited to attend and provide commentary on the proposals for the future use of the Staten Island Developmental Center.

John C. Egan, Commissioner of General Services, Chairman
