

## Deaf man is missing

ADVANCE STAFF WRITER

Police are searching for a 67-year-old deaf Willowbrook man who has been missing from his home since 1 p.m. yesterday.

Andrew Dolop, who takes medication three times a day, was last seen at his Victory Boulevard home, police said. He was missing once before in January, but was found at the St. George ferry terminal, authorities said.

The man was wearing a gray shirt, blue pants and black sneakers when last seen.
