Dear Mr. Witkowsky: *Bob*

During the forty-seven years of our existence, Community Resources has been fortunate in enjoying the confidence and support of many dedicated and capable individuals, without whose partnership, we would have been unable to fulfill our mission. We have always been deeply appreciative of their help, but only recently have we been able to thank them in the way that they deserve.

Our "special soiree," planned this year for Friday evening, October 20<sup>th</sup>, at the South Shore Country Club, affords the ideal opportunity to appropriately acknowledge those individuals who have been especially supportive of the people who are Community Resources. You were unanimously selected as the first recipient of the "Joan P. Hodum" Life Achievement Award in recognition of your lifetime of untiring efforts dedicated to the advancement of individuals with special needs, and for the stellar example you have set both as a professional and as an advocate.

Needless to say, everyone at Community Resources is genuinely pleased that you have accepted this honor. We are looking forward to this event so that we can publicly acknowledge all that you have done to make it possible for our own program participants, and all other developmentally disabled Staten Islanders, to grow and to achieve.

Sincerely,
