## CSI's 34th Commencement Issue

Public Service Announcement

The College of Staten Island is a proud participant in the Sixth Annual Staten Island Pride Parade and Festival on Saturday, June 5, 2010. This year is a particularly proud year for CSI, as Dr. Kathleen Cumiskey, Chairperson of the Psychology Department, and her wife, Robin Garber (a CSI Alum!) have been named Grand Marshals of the parade! The Parade will kick-off at noon on Central Avenue at Slosson Terrace, and wind through the streets of St. George, culminating with a festival from 1:00 - 5:00 PM in Tompkinsville Park, at the corner of Victory Blvd. & Bay Street

CSI is looking for faculty, staff and students to represent CSI as we march in the parade to support and celebrate Staten Island's Lesbian, Gay, Bisexual, Transgender (LGBT) community. Anyone interested in participating/marching in the parade can register in person at the CSI Office of Student Life (1C- 201), via email at [studentlife@mail.csi.cuny.edu](mailto:studentlife@mail.csi.cuny.edu), or by contacting the Office of Student Life at 718-982-3088. Free T Shirts will be given out to the first 100 registrants on the day of the parade.

Spread the word! Join us for a meaningful and purposeful Saturday walk and have fun while helping to support and celebrate Staten Island's Lesbian, Gay, Bisexual and Transgender community.

LETTER FROM THE EDITOR

As One Door Closes Another One Opens

BY BRIAN GONZALEZ  
EDITOR IN CHIEF

With the approach of CSI's 34th Commencement rapidly drawing near by the time you read this it'll already be here. For many of us this will be an emotional time. An end to an era if you will. For others this will be the start of a journey. Whatever the case is each of us still look at this day with some sense of accomplishment. Graduation is one of the few days where all the hard work, time, and expense that one has invested are recognized. Now the question is where do you go from here?

This is one of the few times in life where you decide what happens. Now the question is what is it that you want to do? Of course this is not something that's simple to figure out. As you read this maybe you have an idea of what you would like to do. Some of us will continue on to graduate school, others will begin searching for jobs, and the rest of us will go on vacation.

We'll all go in different directions in our lives, but at this moment in this time we reflect on the past few years here at CSI.

While many of us have different feelings towards the college we can't ignore the journey that you've been on and that everything you have went through as a student was for the purpose of earning a degree.

Now that you're at the end of this journey, what have you taken from it? Of course we all learned what we needed to

for our classes and completed all the requirements for our degrees, but there are other things that you take with you other than academics.

In the past few years you've called CSI your 'home' or a 'dump' there's no doubt that you weren't alone. There are the friendships you've made with classmates, professors, staff, etc. These are the people that you've taken this journey with. From the classmate you copied notes or gotten homework from, to the Professor who didn't give you a hard time or even tried to work with you to make sure that you didn't fail a class, to the staff at the hub, bursar, or registrar that helped you make sure that everything was in order on your transcript and tuition bill, there's even those people you have called co-workers as a workstudy or T.A. The point is that you've made a bond with these people and you didn't go through anything alone. These connections that you made are as valuable as your degree.

So as you prepare to close the door to this chapter of your life you should take some time to reflect on things. Now I know the last thing you want to think about is CSI, but it's not so bad to think about the good things that have happened. Take your experiences and education with you as the next chapter begins. Now as graduates you are the shapers of events.

College of Staten Island 2010 List Of Graduates

January 2010

The listing of names, degrees, and honors to be conferred, appearing herein, is subject to such changes, deletions, and additions as may be necessary to conform to the final and official records of the College of Staten Island. This listing includes potential candidates for graduation and is not an official list of graduates. Awarding of degrees and honors is contingent upon certification by the Registrar pending receipt of final grades.

Latin Honors are granted pending determination by the Registrar's Office that candidates have satisfied the requirements.  
\*\*\* summa cum laude (GPA of at least 3.90)
