Scope & Content Note

The collection consists of programs and other records for many campus events. It includes planning files for some major events, including materials related to the Richmond College Conference and to the groundbreaking and dedication of the Willowbrook Campus.

This collection includes materials for events that occurred once or as part of a short series. Programs for annual events, such as commencement, are treated as publications.

All college photographs are housed in the Photographs group.

The collection is incomplete and does not cover all events.
