Title: The Maureen Fusillo Willowbrook Oral History Project

Creator: Maureen Fusillo

Dates: 1993-1994

Extent: .9 cubic feet

Abstract: College of Staten Island graduate school student Maureen Fusillo conducted a series of interviews with former employees of the Willowbrook State School, as well as former residents and parents. This collection includes transcriptions of interviews, interview tapes, consent forms and a small amount of correspondence, and notes. Some interviewees gave Fusillo photographs and small amounts of other materials that , and other materials related to the project. Fusillo's class project is cataloged and housed in the book collection of Archives and Special Collections as *The Willowbrook State School: An Oral History* (HV3006.N7 W5f 1994).
