To the Class of 2009,

Congratulations!

I hope that as you turn the pages of this yearbook, you will look back on the wonderful experiences that you had at the College of Staten Island: forging new friendships, expanding intellectual horizons, and as a result, fulfilling your goals and dreams. As you continue your life's journey, may it be happy and successful.

I encourage you to stay connected with CSI and the services that we offer our alumni. Participation in the CSI Alumni Association can assist you as you enter the workforce and pursue career goals, and will help strengthen your alma mater.

Success in today's complex, ever-changing, and global world requires lifelong learning, so I encourage you to return to CSI as you continue to grow and change in your career and in your life's adventures. CSI continues to have much to offer you, and I look forward to seeing you on campus in the future.

n a not so sunny day, when rain threatened to fall at any moment, the graduating class of 2009 sat with ponchos and a sense of achievement that no weather could diminish. May 28th, 2009 brought together students from all disciplines to celebrate and to be recognized for their accomplishments at the College of Staten Island, The smiles from students, faculty, family and friends serve as a reminder of what we as students have done, and will go on to do. Although this day will remain in our hearts forever, it is only the beginning of what we will accomplish.
