Shop of Staten Islands of Stat

# City University of New York College of Staten Island

2010

To the Class of 2010,

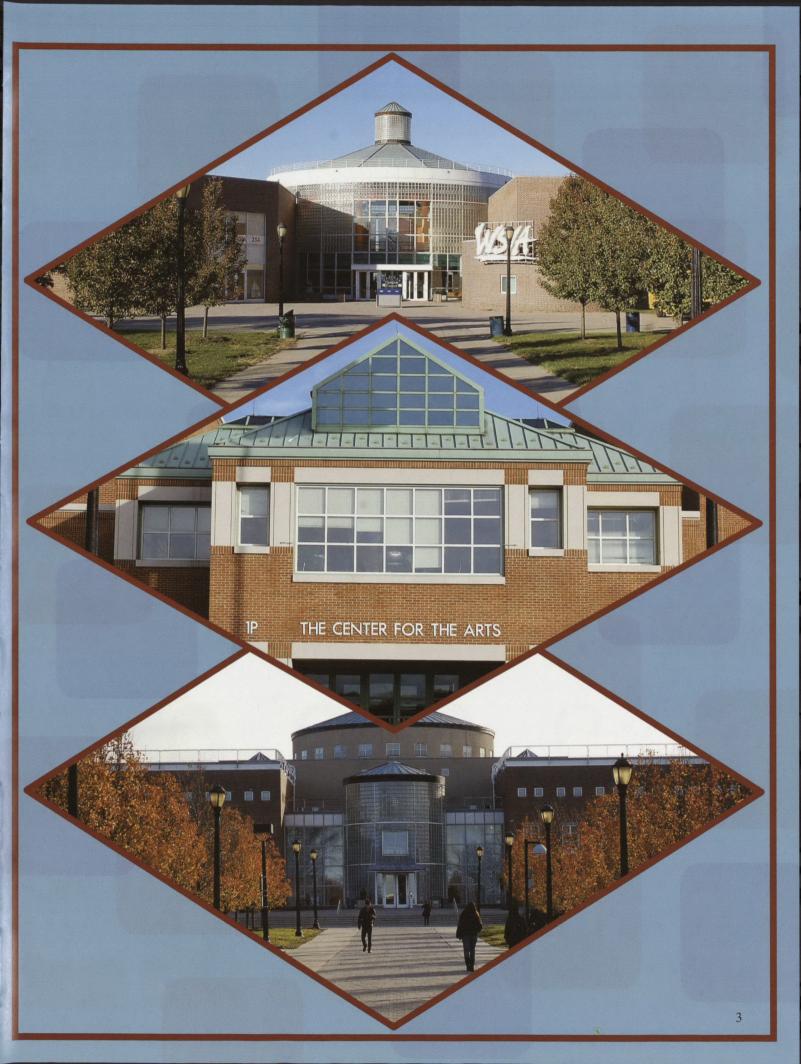

Congratulations!

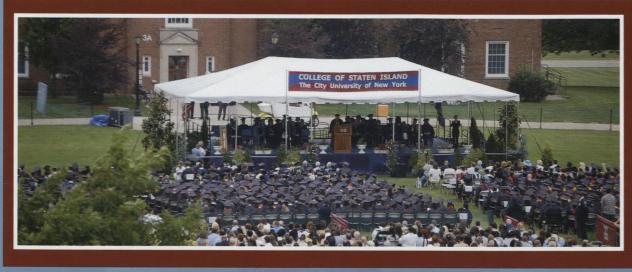

It is my hope that as you look through this yearbook you'll relive the happy moments that you experienced as a student at the College of Staten Island--meeting new friends, connecting with our world-class faculty, expanding your knowledge, and gaining the skills and tools for a bright and productive future. I wish you all the best as you move on to new challenges and opportunities.

Although you have graduated, I urge you to retain your ties to your alma mater, not only to stay connected to fellow students and your favorite faculty members, but to take advantage of the many services and benefits that CSI has to offer through your Alumni Association and the Career and Scholarship Center, and also to lend your talents and resources to help future students.

Also, keep in mind that CSI will be here to provide a wide variety of avenues for your intellectual and professional growth to ensure that you remain as competitive as possible in our complex and changing world. I hope to see you on campus in the future.
